About SICA CONSTRUCTION REVIEW

SICA Construction Review is the official voice of the Southern Interior Construction Association (SICA), a non-profit, membership-based association representing the construction industry in the Southern Interior of B.C. SICA seeks to help their members run business more effectively, secure more job opportunities and keep their jobsites safe.

Published twice a year, *SICA Construction Review* delivers the latest news and developments within the association and the construction industry as a whole, including project profiles, SICA member spotlights, emerging technologies and more. *SICA Construction Review* is a vital source for SICA members to engage with the construction industry and increase expertise in their given field.
